

## McDonald Army Health Center (MCAHC) Community Information

- An improved method for doing business is available for patients who are enrolled at MCAHC. Access to the Family Health Clinic and Pediatrics is transitioning to a system called “open access.”
- Effective 22 January 2007, enrollment for RETIREES and RETIREE FAMILY MEMBERS will open for those beneficiaries interested in enrolling into TRICARE PRIME. Those electing to enroll will be assigned to the Internal Medicine Clinic (MCAHC) as their primary care clinic. Applications will be available in the TRICARE Service Center (TSC). NO APPLICATIONS WILL BE TAKEN BEFORE 22 JANUARY 2007.
- On 24 January, a program will be held in the MCAHC dining hall geared to retirees (but open to all) regarding prostate cancer. DR Chisam, Oncologist, Naval Medical Center, Portsmouth will be the guest speaker. DR Chisam will talk about signs, symptoms, and treatment available. Questions will be entertained from the audience. Program begins at 1400 hrs. No reservation is required. Point of contact can be reached at 314-7844.
